THE PATHWAY OF DISCIPLESHIP AT NPC

WORSHIP regularly. Worship is our eternal vocation as believers. Sunday morning services are the first connection to God's grace for most new participants at NPC, and worship is of vital importance in sustaining us all.

GROW intentionally. As we connect with God and each other in worship, all are invited into an intentional process of growth in discipleship through Scripture study in small groups, Christian education classes, and personal devotions.

SERVE generously with our time, talent, and treasure. We give who we are and what we have in service to ministries within the church and missions outside the church. As we come to know Jesus, we want to lead others to him.

PATHWAY MEMBERSHIP CLASS

provides an opportunity for interested individuals to become acquainted with our church, and for prospective members to learn about membership. The class offers a special time of personal teaching from our pastors, and answering of any individual questions posed. Information is presented on the various ministries of the church where one may connect, be nurtured in faith, and find opportunities to serve.

This program is designed to present biblical doctrine, explain church organization, and foster friendship among participants. The staff and leadership desire that every person at NPC will feel known and cared for. Find your place to belong in this church family. We are delighted to welcome you.
