

Church-as-a-Mission Potluck Dinner

God Speaks My Language!

Saturday April 2, from 6:00 – 8:00 p.m.

It's time for another Church-as-a-Mission Potluck! God is at work. Through our mission partnerships, the message of Christ is reaching more people, in more languages.

On Saturday evening, April 2, we have an opportunity to hear how God is speaking to people in their own languages through Bible translation and *The Jesus Film*. We'll see scenes from this life-changing movie in our own language. We'll hear from Wycliffe mission partners Steve Quakenbush, Keith Patman, Cathie Showalter and Fraser Bennett, as well as from Angela Bednarczyk. Our kids will have a chance to do special activities to help them understand how God speaks to people in all the language groups of the world.

We look forward to this as an enjoyable evening as well as an informative one. We'll have good fellowship over good food. Meat and beverage will be provided, and we ask you to bring a dish to share (6-8 servings) according to the first letter of your last name: A-L, salad; M-R, dessert; S-Z, casserole or side dish. There will also be an opportunity to help provide electronics for teams in Bangui, Central African Republic, as they dub *The Jesus Film* in their eight languages next month.

So bring your family, invite your friends, sign up in Stone Hall or by calling the Outreach Office (202-537-7531), and join us at the potluck!

Blessings,

Douglas A. Learned
Executive Pastor
